

FOOD SAFETY POLICY

COTA Ltd., a citrus cooperative organization dedicated to the industrialization of citrus and the commercialization of its products, assumes the commitment to ensure the Quality and Safety of its products, the conditions of Occupational Health and Safety of its personnel and Environmental Care, in order to achieve customer satisfaction.

To fulfill this purpose, COTA Ltd. establishes and maintains a food safety management system (FSMS) based on the following principles:

- Defines and reviews, through top management, the objectives of the FSMS.
- Complies with applicable legislation, customer requirements and any other requirement to which it has adhered.
- Acquires and uses only raw materials and supplies that meet the established requirements.
- It guarantees the necessary resources to meet the established objectives and commits all levels of the organization to actively participate in the continuous improvement of the FSMS.
- It trains personnel at all levels of the organization and verifies the necessary competencies for the correct operation of the FSMS.
- It considers this policy as a priority and ensures its diffusion, understanding and application at all levels of the organization and is available to customers, suppliers, organizations and other interested parties.

From fresh fruit (lemon), COTA Ltd. produces Lemon Juice Concentrate, Essential Lemon Oil, Dehydrated Lemon Peel and by-products, which are products exclusively for industrial use; being its customers other industries, who after processing them deliver their finished products to distributors and these in turn to consumers.
